

Access to the Venue from Sendai Station

Most hotels are located at the north area from the campus. You can find arcade from Sendai Station which is convenient for walking even in rainy days. The last 200m is out of the arcade. You can enter the north gate. There is no shape of gate at the north gate but you will find the person that control of the gate for parking. Before entering the gate, at the right hand side, you can find Tohoku University restaurant for lunch etc.
